Burdett Care Center Community Forum

Thursday, June 3

6 - 7:30 pm

Northeast Health, Krause Center
2212 Burdett Avenue, Troy

Burdett Care Center will be a separately licensed hospital located on the second floor of Samaritan Hospital offering prenatal care, maternity and sterilization procedures. Following the anticipated merger of Northeast Health, St. Peter's Healthcare Services and Seton Health, maternity services from both Samaritan and St. Mary's hospitals will be consolidated at Burdett Care Center.

As we continue to move forward with the construction of Burdett Care Center, we would like to share our design plans and welcome your feedback and suggestions.

Light refreshments will be served.

Your response is appreciated, please email Joyce
at Russellj@nehealth.com or call 271-5047.
