

Troy Master Facilities Construction Update

Contractor's Look Ahead

Updated October 31, 2017

Samaritan and St. Mary's Emergency Departments

- **Please plan to attend a colleague open house at the new Samaritan Hospital Emergency Department on Monday, December 4, 1 - 3 pm. More details will follow.**
- The new Samaritan Hospital ED opens at 4 am on Thursday, December 7.
- At 12 am (Midnight) on Wednesday, December 6, the St. Mary's Hospital ED will close, reopening at 9 am on December 7 as an urgent care center. The urgent care center will be named St. Peter's Urgent Care and will be operated by St. Mary's Hospital.

Free Shuttle Service

- A free shuttle service is available to transport patients and visitors to and from the Parking Garage to Samaritan Hospital, including the Lally Pavilion, and the Samaritan Medical Arts Building (SMAB). The shuttle service is currently available Monday - Friday from 7 am to 3 pm and will pick up and drop off passengers on all floors of the Parking Garage. To access this free service, patients and visitors can call (518) 271-3300.

Samaritan Hospital:

- Sidewalks, curbs, paving, stripping and landscaping on the 17th Street side of the project are complete and the ambulance canopy and lights are installed.
- **Basement** work including epoxy floors, sheetrock walls, lighting, and mechanical and electric systems is nearly finished.
- The **first floor** millwork, flooring, countertop, and door and hardware installations are nearly complete.
- The **second floor** sheetrock walls and lighting are complete and patient lift systems are installed.
- The **third floor** is framed and sheetrocked, taping and painting, and installation of bathroom floors and walls is in progress.
- The **fourth floor** is framed and sheetrock installations continue. Medical Gas installations and electrical rough are nearing completion. All mechanical piping and plumbing is complete.
- **Fifth floor** ductwork is 95% complete, plumbing is 60% complete, and interior wall framing is finished.
- The **Penthouse** is complete with the exception of floor sealing.

St. Mary's Hospital:

- In late-September, the **Outpatient Detoxification program** launched at St. Mary's. Licensed by the New York State Office of Alcoholism and Substance Abuse (OASAS), the program offers an evidence-based, medically supervised outpatient program for individuals and families impacted by opioid addiction. For more information, call (518) 268-5005.
- The new **Women's Imaging Center** located on the 3rd floor of St. Mary's opened on October 2. The state-of-the-art center offers a comprehensive suite of clinically advanced breast imaging and bone density testing and brings together the imaging services formerly offered at the Women's Health Center at Samaritan Hospital, St. Peter's Women's Imaging at the Massry Center, and the women's imaging services previously offered at St. Mary's Hospital. The Women's Imaging Center also combines the professional and compassionate staff from these three legacy centers and includes a board-certified clinical breast radiologist. For more information call (518) 268-5353.
